5. School Report
  - a. Robert Dumanowski - Principal report – registration is around the corner and parents already in the system will have forms out Jan 25 and Feb 1 is registration Kick off. Open House will be coming up for this. Planning in process for next year and growth of same. Rink letter that went out last time has garnered 3 people for support. Board is unusually high. As soon as the weather permits they will look to get started and pour. Lifetouch contract signed. They have not signed up for a yearbook but we are encouraged to make one on our own with a committee. Lifetouch could look to help us with a version of this at a cost point per item. Not a need to have a yearbook but if interested would need a 2-3 person parent group to do this. Regulations coming provincially for walk arounds for safety of the school, AED machines and Naloxone Kits available at the school. Training will be done for staff to use and administer these at the school. Always looking for higher safety measures to keep ahead of the needs of the safety of the kids. Doors have been locked securely through the day, name tags for visitors in the school. Partnership

with MHC, 10-12 Ed Students coming 3 times to learn more about the school, programs, furnishings and space to guide the next group of educators. Opportunity for Lunch and Learn with Parents to learn more about the school running around 1120am for 30 mins at no cost.

- b. Claire Quinlan - Teacher update – English and French combined activities are growing- have the mayor coming for Gr 5/6, dancing in gym Gr 3/ 4 , 3D printing is a hit but making time for printing is strategic, Gr 6 Camp McCoy is a go and Nights of Columbus will provide financial support to help with this, and school council will put forward \$1000. Bottle drive and other fundraising ideas coming forward. Approx 20 to attend with French and English May 22-24.
